Mayor Smith and Members of Council, [REDACTED]
[REDACTED] This changes our
approach with Mr. Hess but not our overall goal.

Since the last information report provided to Council I have spoken with Mr. Hess on a number of occasions and all dialogue has been very positive and forward looking. It is our intent to bring to Council a one year lease extension, as suggested in the information report. Instead of an open RFP call for 2018 and beyond we will work with Mr. Hess over 2017 to develop a strategy to achieve our goals for this property. He is open to the idea of a third party partner to achieve them. Council of course will be involved throughout the course of the project at key milestones.

David
